TECHNOLOGY ENABLED SERVICE & BUSINESS

June 27, 2019

4P strategy

**Customer centricity
continues to be at the core**

4P strategy

Customer Centricity

Our vision for Technology

To create scale with simplicity for Customers,
Distributors and Employees

Enable seamless integration
with rapidly evolving eco-
system

Foster innovation to proactively
achieve superior business
results and customer
satisfaction

Objectives

Strengthening the
core

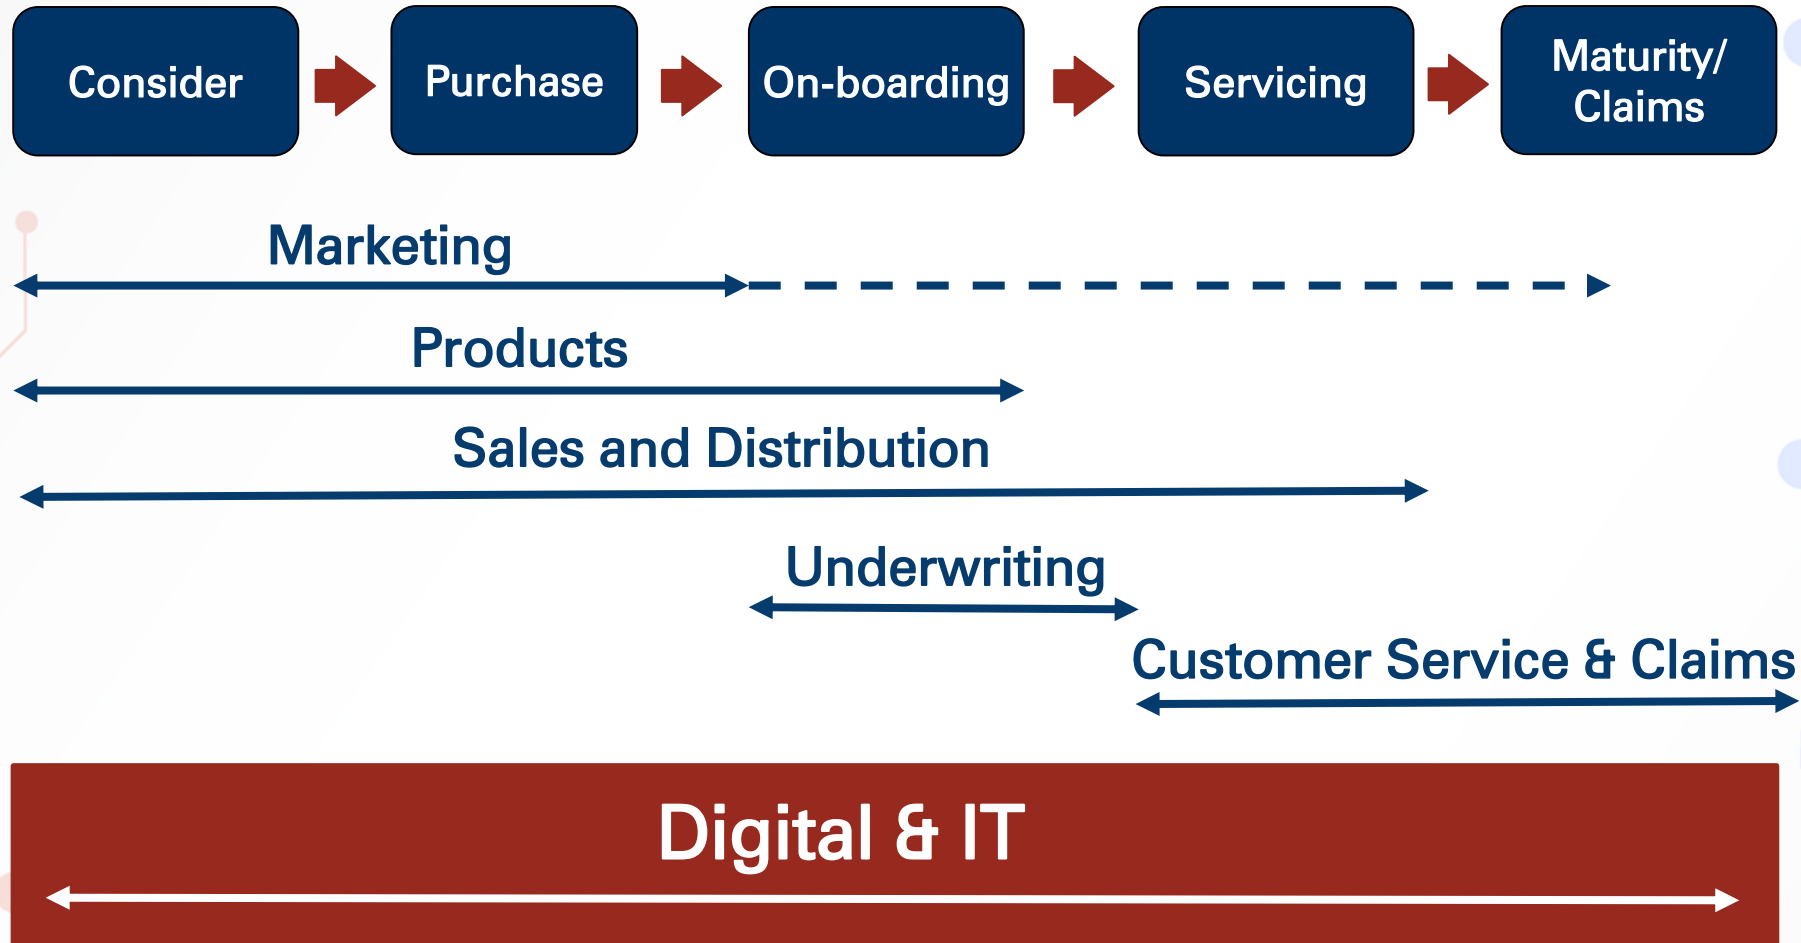

Be future ready

Support new
growth engines

Policy lifecycle – Powered by Technology

Our journey

2001-2004

Core system tools

- Policy Admin System
- Investment & Treasury
- Customer Relationship Management
- Financial Accounting

2005-2010

Peripheral systems

- Underwriting engine
- Workflow
- Data warehouse
- Claims
- Payout

2011-2018

Digital transformation

- Simplified on boarding
- Underwriting automation
- Robotic processing
- Anytime anywhere transactions
- Modular partner integration architecture

Celent global model award

2019

Seamless integration with AI, ML, NLP

- Nudge engine
- Conversation Bots
- Data insights
- AI underwriting
- AI OCR
- Image recognition

Let's zoom in to the digitalization era

Digital evolution path to maturity

1

Build digital foundation
Optimize processes and systems

- Process re-engineering
- Technology architecture
- Service architecture

2

Digitize onboarding and service
Build seamless presentation layer

- Process automation
- Build seamless presentation layer
- Integration architecture

3

Leverage ecosystem
Collaborate with internal stakeholders
And partners for enhancing experience and productivity

- Integrate internal, Partner systems and external ecosystems
- Provide frictionless journey

4

Market leadership
IT as an enabler for Business innovation

- Seamless AI, ML, NLP interventions in the journey
- Enhance experience and productivity

End to end digitalization of journeys

Leverage ecosystems and tech advancements

Objectives

Strengthening the
core

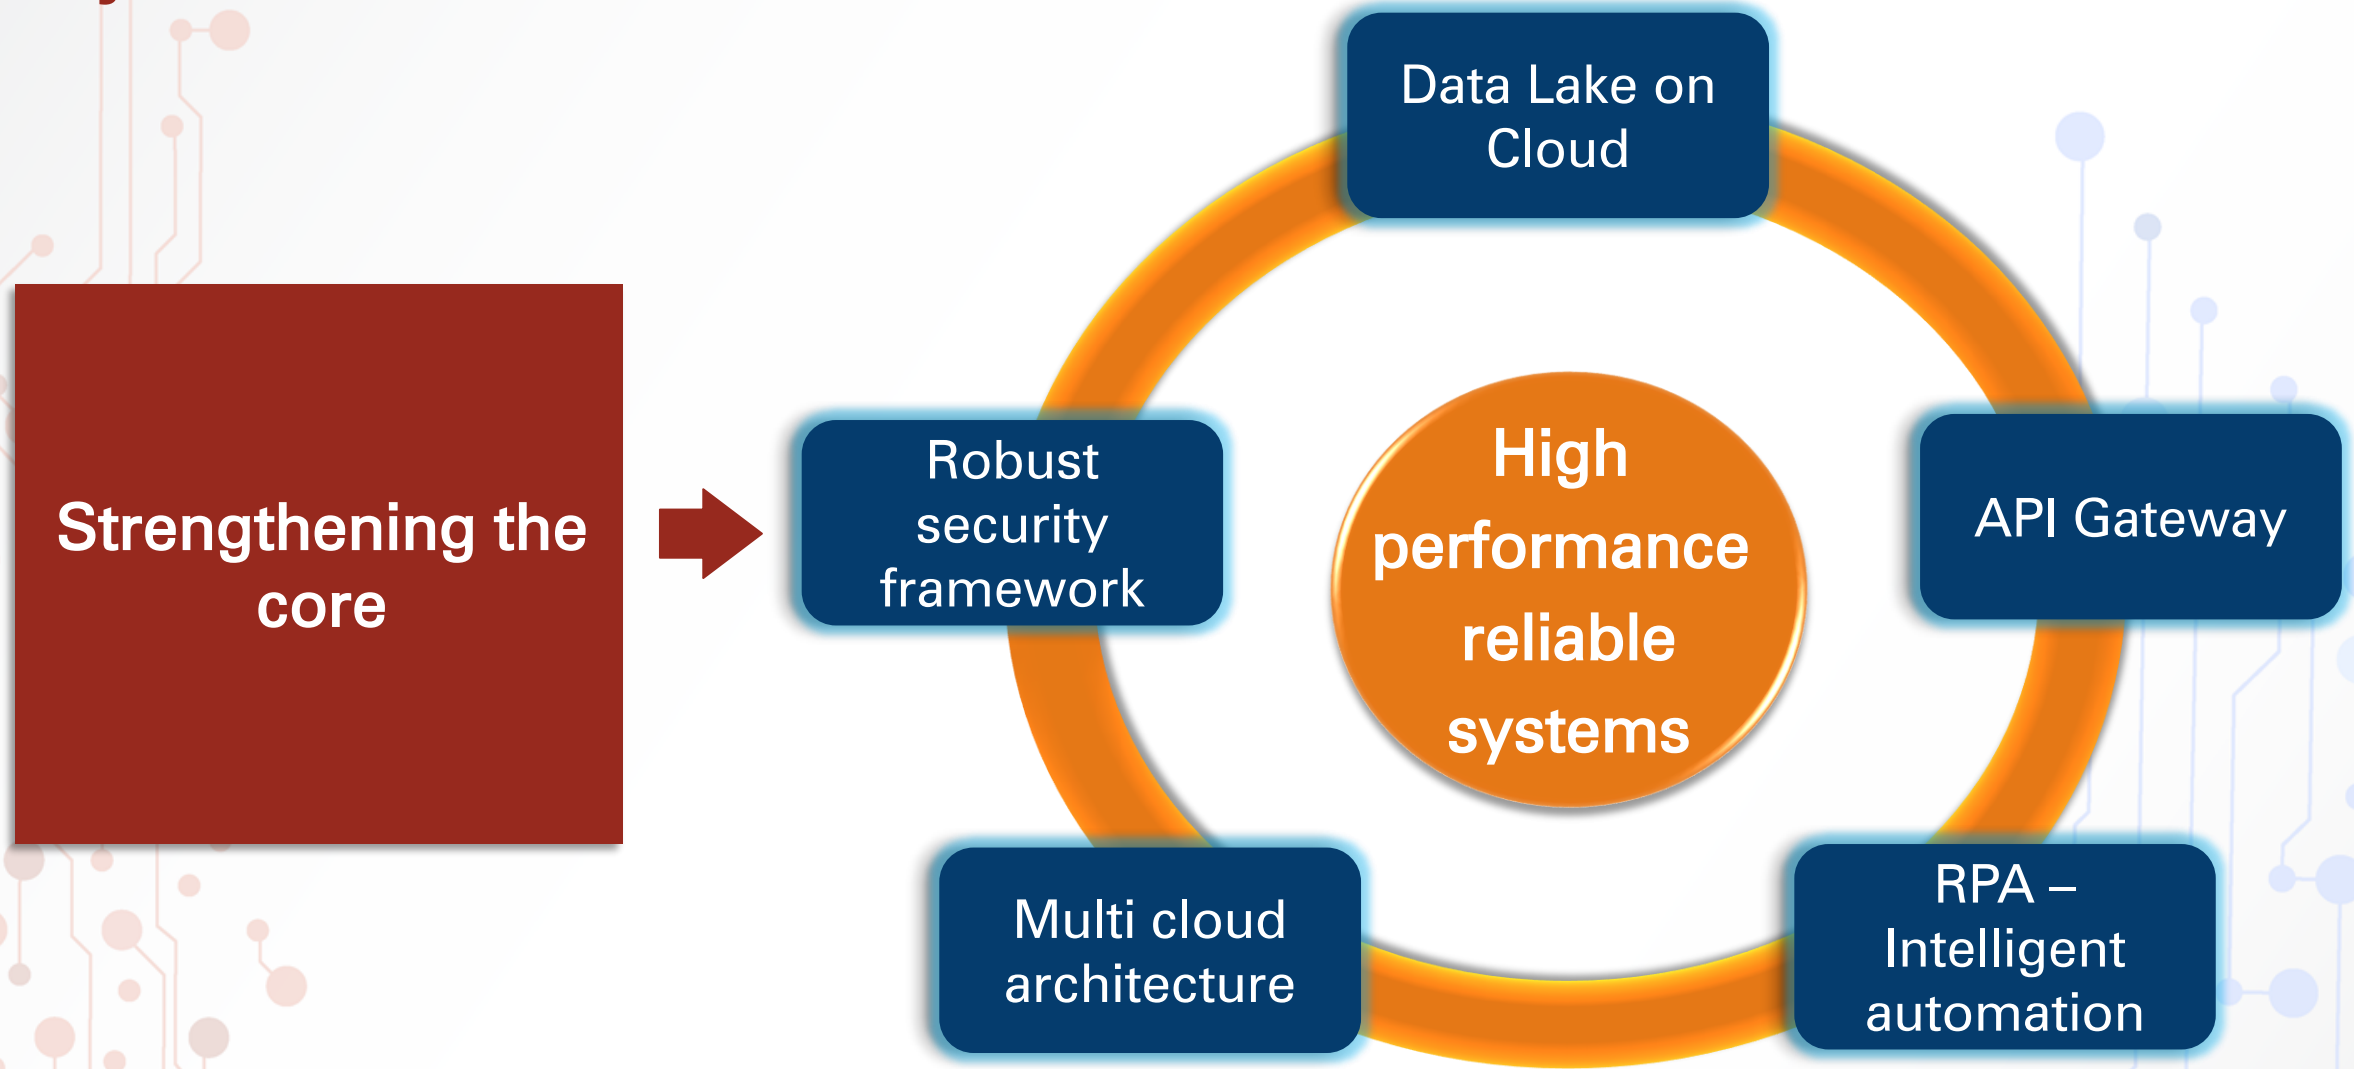

Be future ready

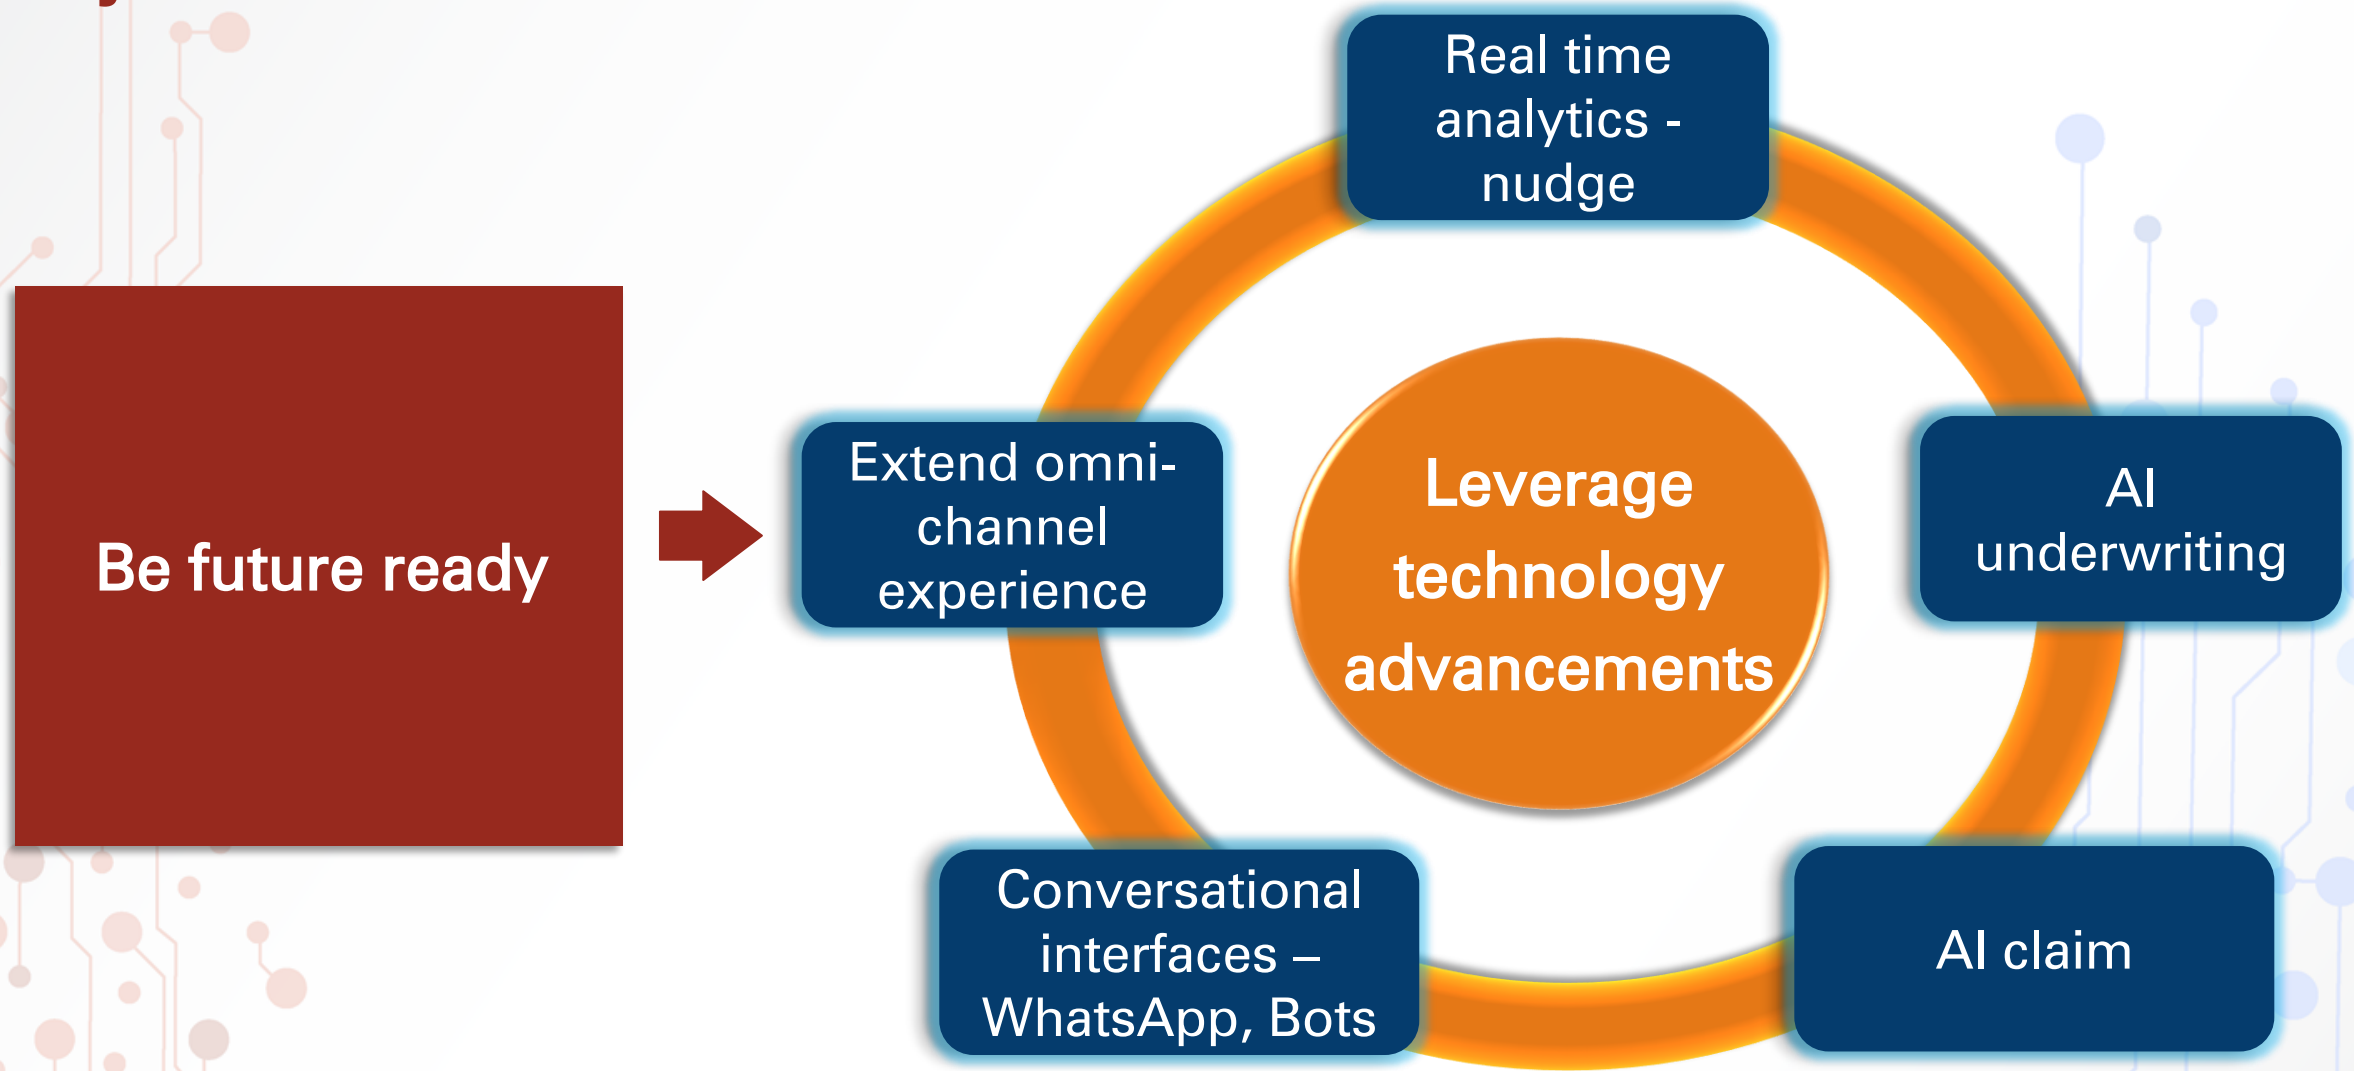

Support new
growth engines

Strengthening the
core

Be future ready

Support new
growth engines

To be the most admired digitally enabled insurer

Digital ecosystems

Policy lifecycle

- 1 Pre-sales enablers for superior customer engagement
- 2 Seamless onboarding and instant issuance
- 3 Omni-channel servicing and efficient claim settlement

Analytics and marketing

- 4 Data mining for enabling business
- 5 Marketing tools to provide customized experience

Partner integration

- 6 Superior offerings for partners to ensure ring-fencing & improve partner productivity

IT governance and security

- 7 Robust backend monitoring of applications and periodic assessment to ensure data security

Foster innovation

- 8 Leverage ecosystems to provide seamless platform for new growth engines

Pre sales

our capabilities

 Need Analysis	 Lead Mgmt. System	 Opportunity Matrix
Targeted at Bancassurance channel ~100% usage	Targeted at Proprietary channel ~100% usage	One stop information for partner to upsell and service

1st in Industry

Know customer better through social platforms	Recently launched	Started with Proprietary channel ~70% usage	LMS is now VOICE enabled	100% coverage for new joinees (sales)
 Customer Profiler	 Nudge Engine	 Cognitive Bot	 Voice LMS	 Learners Box

recent deployments

Onboarding and Issuance

our capabilities

-  **Flexible on-boarding**
Platform agnostic and available for all channels
-  **Tele underwriting**
1st in Industry
Tele- underwriting: ~40% medical cases waived off
-  **Robotic enabled issuance**
Robotic processing of all cases for faster issuance

- Zero paper model; Started for Agency & Proprietary channel**
- 80% documents verified by OCR**
- 3,000+ cases processed**
- All medical cases are routed through the AI engine**
-  **Paperless on-boarding**
-  **Instant document verification(OCR)**
-  **Video based underwriting**
-  **AI assisted underwriting**

Customer servicing and claims

our capabilities

Anytime...
...Anywhere

76% transactions self serviced; single view across touch-points

Premium Payment

Over 60% renewal premium through electronic modes

Intuitive IVR

50% navigation time saved

1st in Industry

Conversational bots
Over 1 mn queries resolved

First life insurer to get business verified account

AI based pre-claim assessment & claim processing
Claim settlement ratio: 98.6%

LiGo

WhatsApp

Automated Claims Processing

recent deployments

Marketing & lead generation

our capabilities

Rank high on online searches

Machine learning used to rank us higher when customers search

Segmented targeting

Reaching the customer by mapping their interests and affinities

Mobile first

Being the preferred screen, all our content and journeys are designed for it

Hyper personalisation

Personalised messaging to handhold customers throughout journey

AI backed quote

1st in Industry

Facilitate auto form fill

Banners with built in calculators for instant quotes

Instant screen share available for assistance in form fill

Selfie quote

Truecaller Integration

Interactive banners

Co-browsing

Partner integration

our capabilities

Process simplification

Flexible integration

Superior customer experience

Modular integration for more than 100 partners

1st in Industry

Self service module for Group business

Pre-coded pages for quicker integration

Enabling customer service on partner portals

Web portal

Easy UI

Customer service

recent deployments

Analytics

our capabilities

Actionable insights

Accelerate sales, enhance customer experience & data personalization
