6. Incontestability

In accordance to the Section 45 of the Insurance Act, 1938, no Policy of life insurance shall after the expiry of two years from the date on which it was effected, be called in question by an insurer on the ground that a statement made in the proposal of insurance or any report of a medical officer, or a referee, or friend of the insured, or in any other document leading to the issue of the Policy, was inaccurate or false, unless the insurer shows that such statements were on material matter or suppressed facts which it was material to disclose and that it was fraudulently made by the Policyholder and that the Policyholder knew at the time of making it that the statement was false or that it suppressed facts which it was material to disclose.

Provided that nothing in the section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof that the age of the Life Insured was incorrectly stated in the proposal.

The Company would declare the policy void in case of suppression / mis-statement / mis-representation of facts and this would lead to forfeiture of the premiums received under this policy.

- c) The accident shall result in bodily injury or injuries to the Life Assured independently of any other means;
- d) Such injury or injuries shall, within 180 days of it's occurrence, directly and independently of any other means cause the death of the Life Assured; and
- e) The death of the Life Assured shall occur before the expiry of the period for which premiums are payable or before the policy anniversary on which his age nearer birthday is 65, whichever is earlier;

However, if the period of 180 days from the occurrence of the accident is current on the policy anniversary on which the Life Assured attains age 65 nearer birthday, the accident benefit shall be payable on death during that period.

The Policy must be in force on the date of accident as well as on the date of death.

(ii) Disability Benefit

Subject to the conditions set out below, if whilst the policy is in force, the Life Assured is involved in an accident, but before the policy anniversary on which his age nearer birthday is 65, resulting in his total and permanent disablement, which will disable him to work or follow any occupation or profession, then with effect from and including the date of such disability (hereinafter called "Disability Date") the Company agrees to provide the following benefit

1. Commencing from the first anniversary of the Disability Date and on each anniversary thereafter pay in ten annual installments, each equal to one-tenth of the amount of accidental cover under this Rider Benefit. - (c) If there are any other benefits payable under this rider benefit, then all such benefits shall cease to be available on and after the Disability Date.
- (d) The Disability must result within 180 days from the date of occurrence of the accident.
- (e) Written notice of any claim for the benefit shall be served on the Company within 120 days of the Disability Date and the admission of any claim for Disability Benefit will be subject to such proof (at the expense of the Life Assured), as the Company may reasonably require, that the Life Assured has become totally and permanently disabled. If such proof is not furnished or if the Life Assured shall refuse or fail to submit for medical examination/s when required to do so, or if at any time the Company is satisfied that a claim for benefit under this clause has been wrongly admitted, the Life Assured shall be deemed to have ceased to be totally and permanently disabled immediately from the date on which the Company has requested for the supply of such proof or submission to medical examination/s or, as the case may be, from the date on which the Life Assured is communicated of wrongful admission of the claim, and thereafter the policy shall continue under such terms and conditions as the Company may decide.

- b) has been continuously disabled for a period of six consecutive months and has been determined by the Company, after consideration of the reports and other information supplied by the Company's own medical practitioner, appointed to examine that person, to be incapacitated to such an extent as to render that person unlikely ever to resume work or to attend any gainful employment or occupation.

B. Income Benefit Rider

Whilst the Policy is in force for the full Sum Assured, the Life Assured dies before the Policy Anniversary on which his age nearer birthday is 65 then commencing from the Policy Anniversary immediately following the death of the Life Assured and on each Policy Anniversary thereafter a sum amounting to 10% of the cover under this rider benefit shall be paid, the last instalment being payable on the Cover Cessation Date.

If the Life assured commits suicide whether sane or insane, within one year from the date of issue of this policy, this cover shall be void.
