6.5 Force Majeure Under 'Force Majeure' situations, we may, in the general interest of the holders of unit linked policies and keeping in view unforeseen circumstances or unusual market conditions, limit the total number of Units withdrawn on any day from each fund. Withdrawals from each of the Company's funds may be limited to 5% of the total number of Units then outstanding from each respective fund. In exceptional circumstances, such as unusually high volume of sale of investments within a short period, exceptional redemption, market conditions or political or economic 'Force Majeure' conditions, we may defer the surrender of the policy until such time as normality returns, based on the directions of the Regulator at that point in time. We reserve the right to value assets less frequently than daily under 'Force Majeure' conditions, where the value of the assets may be too uncertain. In such circumstances, the extent of deferment period will be as per the directions of the Regulator at that time. Force Majeure consists of: • When one or more stock exchanges which provide a basis for valuation for a substantial portion of the assets of the fund are closed other than for ordinary holidays • When, as a result of political, economic, monetary or any circumstances out of our control, the disposal of the assets of the unit fund is not reasonable or would not reasonably be practicable without being detrimental to the interests of the remaining unit holders • During periods of extreme volatility of markets during which surrenders and switches would, in our opinion, be detrimental to the interests of the existing unit holders of the fund • In the case of natural calamities, strikes, war, civil unrest, riots or bandhs • In the event of any disaster that affects our normal functioning • If so directed by the Regulator

6.6 Age **i.** In case you have not provided proof of age of the Life Assured with the proposal, you will furnish such proof of age of the Life Assured as is acceptable to us and have the age admitted. **ii.** In the event the age so admitted (the "Correct Age") during the policy term is found to be different from the age declared in the proposal, without prejudice to our rights and remedies including those under the Insurance Act, 1938, we will take one of the following actions: **a.** If the correct age of the Life Assured makes him ineligible for this product, we will offer a suitable plan as per our underwriting norms. If you do not wish to opt for the alternative plan or if it is not possible for us to grant any other plan, the policy will stand cancelled from the date of issuance and the premiums paid under the policy will be returned and the policy will terminate thereafter. **b.** If the correct age of the Life Assured makes him eligible for this policy, the policy shall continue. The provisions of Section 45 of the Insurance Act, 1938 shall be applicable.

6.7 Nomination **i.** The Life Assured, where he is the holder of the policy, may, at any time before the vesting or termination date of policy, nominate a recipient (under Section 39 of the Insurance Act, 1938) for the purpose of payment of the monies secured by the policy in the event of his death. **ii.** Where the nominee is a minor, the Life Assured may also appoint an appointee i.e. a person to receive the money during the minority of the nominee. **iii.** Any change of nomination, which may be effected before vesting or termination of the policy shall also be communicated to us. **iv.** We do not express any opinion on the validity or legality of the nomination. **v.** Please refer to Section 39 of the Insurance Act, 1938 for complete details.

6.8 Suicide If the Life Assured, whether sane or insane, commits suicide for any reason whatsoever within one year of the date of issuance of the policy, the policy shall be void and only the Fund Value including Top up Fund Value, if any, as available on the date of death, will be payable. As such, in effect, no charges will be deducted after the date of death. If the Life Assured, whether sane or insane, commits suicide within one year from the date of revival, the policy shall be void and only the Fund Value including Top up Fund Value, if any, as available on the date of death, will be payable. As such, in effect no charges will be deducted after the date of death. No other benefit will be paid under the policy. The policy will terminate on the said payment and all rights, benefits and interests under this policy will stand extinguished.
