**4. Paid-up Value:** The Policy acquires paid-up value on payment of premiums for three full Policy years. Paid-up Sum Assured will be calculated as a proportion of the Sum Assured which the number of premiums paid bears to the number of premiums payable under the Policy. Vested bonuses, if any will be added to the Paid-up Value of the Policy. The paid-up Sum Assured along with the vested reversionary bonuses, if any, shall become payable either on the death of the Life Assured during the Policy term or on the date of maturity, whichever is earlier and the Policy shall terminate thereafter. A paid-up Policy is not entitled to any rider benefits. The premiums paid towards the rider benefits shall stand forfeit to the Company. The surrender shall extinguish all the rights, benefits and interests under the Policy.

**6. Non Guaranteed Surrender Value (NGSV):** The non-guaranteed surrender value (NGSV) will be based on the surrender factor (as in Annexure II) applied to the paid up value and vested reversionary bonuses of the Policy. The basis for computing the surrender factors may be reviewed by the Company from time to time subject to Regulator's prior approval. On surrender, the Company shall pay GSV or NSGV, whichever is higher.

**7. Loans:** Loans would be granted under this Policy only after the Policy has acquired a surrender value and the same shall be subject to the below mentioned terms and conditions: **(i)** Loans under the Policy can be granted up to a maximum of 80% of the surrender value. **(ii)** Loans may be granted on proof of title to the Policy. **(iii)** The Policy shall be assigned absolutely to and be held by the Company as security for repayment of the loan and interest thereon. **(iv)** The loan shall carry interest at the rate specified by the Company at the time when the loan is advanced. **(v)** The loan amount may be repaid at any time before a claim arises. However, interest shall be charged for a minimum period of six months. **(vi)** The first payment of interest shall fall due on the half-yearly Policy anniversary following the date on which the loan is advanced and thereafter on every half-yearly Policy anniversary. **(vii)** In case the Policy results in a claim by maturity or otherwise before the repayment of the loan in full with interest, the Company shall be entitled to recover the outstanding loan and interest from any monies payable under the Policy. **(viii)** The Policy will be foreclosed in case the outstanding policy loan amount with accrued interest exceeds the surrender value.

**8. Force Majeure:** If the performance by the Company of any of its obligations herein shall be in any way prevented or hindered in consequence of any act of God or State, strike, lock out, legislation or restriction of any Government or other authority or any other circumstances beyond the anticipation or control of the Company, the performance of this contract shall be wholly or partially suspended during the continuance of any of the said events.

**9. General Provisions:** Where the Policy has been issued on the life of a minor, the Policy will automatically vest on him on his attaining majority. The Policy will continue to vest on the Proposer, if the Policy is proposed by a Hindu Undivided Family on the life of a minor. On death of the Proposer when the life assured is a minor, the legal heirs of the Proposer will have an option to continue the policy by paying premiums on respective due dates. The policy will then continue as per the policy terms and conditions.

### General Conditions

**1. Age:** We have calculated the premium payable under the Policy on the basis of the age of the Life Assured as declared in the proposal form submitted to the Company. In case you have not provided proof of age of the Life Assured with the proposal form, you shall furnish such proof of age of the Life Assured as is acceptable to us and have the age admitted. In the event the age so admitted (the "correct age") during the Policy term is found to be different from the age declared in the proposal form, without prejudice to our rights and remedies including those under the Insurance Act, 1938, we shall take one of the following actions: **a.** If the correct age of the Life Assured makes him ineligible for this product, we shall offer a suitable plan as per our underwriting norms. If you do not wish to opt for altered plan or if it is not possible for us to grant any other plan, the Policy shall stand cancelled from the date of issuance and only the surrender value shall be returned. **b.** If the correct age of the Life Assured is found to be higher than the age declared in the proposal form, we shall evaluate the same as per our underwriting norms. If the Life Assured is found insured, the correct premium as per the correct age of the Life Assured will be recovered from the next Policy anniversary date. Where the Life Assured is not found insured, we would return the surrender value and the Policy shall terminate. **c.** If the correct age of the Life Assured is found to be lower than the age declared in the proposal form, we shall evaluate it as per our underwriting norms. If the Life Assured is found insured, the correct premium as per the correct age of the Life Assured will be charged from the next Policy anniversary date. Where the Life Assured is not found insured, we would return the surrender value and the Policy shall terminate.

**2. Bonus:** Bonuses will be allocated through the simple reversionary bonus method by distribution of the surplus on the basis of actuarial valuation of assets and liabilities at the end of the financial year. Additionally, at the discretion of the Company and based on experience, terminal bonus may be declared at the end of the Policy term or on death of the Life Assured before the Policy term. No interim bonus shall be paid on surrender. For a paid-up Policy, no future bonuses shall accrue. The declared reversionary bonuses will be added to the Sum Assured. No guarantee shall be applicable to the declaration of future rates of reversionary bonus.

**3. Revival of the Policy:** A Policy, which has lapsed for non-payment of premium, may be revived subject to the following conditions: **a.** The application for revival is made within two years from the due date of the first unpaid premium and before the date of maturity. The Company reserves the right to refuse to revive the Policy. **e.** The revival will take effect only on its being specifically communicated by the Company to the Policyholder. **f.** Any change in the revival conditions will be subject to Regulator's prior approval.

The first assignment can be only made by the Policyholder. Such assignment shall be effective, as against the Company, from the date of receipt of the written notice by the Company and the Company having recorded the assignment in its books. Assignment will not be permitted where the Policy is taken under the Married Women's Property Act, 1874. Section 38 of the Insurance Act may be referred to for the complete provision relating to the assignment. **b.** The Life Assured, where he is the holder of the Policy, may, at any time while the Policy is in force, make a nomination for the purpose of payment of the monies secured by the Policy in the event of his death. Where the nominee is a minor, he may also appoint a person to receive the money during the minority of the nominee. Nomination may be made by an endorsement on the Policy and by communicating the same in writing to the Company. Any change of nomination, which may be effected while the Policy is in force shall also be communicated to the Company. Section 39 of the Insurance Act, 1938 may be referred to for the complete provision relating to nomination.

The Company by itself does not express any responsibility on the legality or validity of an assignment or nomination.
