Unit Linked Non-Participating Individual Life Insurance Plan

**ICICI PRUDENTIAL**   
L I F E I N S U R A N C E

**THIS IS A NON-PARTICIPATING UNIT LINKED INSURANCE PLAN. IN THIS POLICY, THE INVESTMENT RISK IN INVESTMENT PORTFOLIO IS BORNE BY THE POLICYHOLDER.** Unit linked Insurance products do not offer any liquidity during the first five years of the contract. The Policyholder will not be able to surrender/withdraw the monies invested in unit linked insurance products completely or partially till the end of the fifth year.

ICICI Pru Guaranteed Wealth Protector is a unit linked non-participating individual life insurance plan that offers the potential for high returns, by investing a portion of your money in equity, while also providing the dual assurances of capital guarantee and life cover.

Your funds will be managed using the Guaranteed Wealth Protector Strategy. Under this strategy your monies will be allocated to an equity oriented fund and a debt oriented fund. At the start of the policy, a higher portion of your money will be invested in the equity oriented fund. Over time the allocation to the debt oriented fund will be increased in order to manage the guarantee. The allocation between the equity oriented fund and the debt oriented fund will be rebalanced periodically throughout the policy term. This regular reallocation will in turn determine the returns generated under the policy.

Currently the lock-in period is five years from policy inception.

## 2) Premium Discontinuance:

### **This section is applicable only for Five Pay and Seven Pay policies**

Date of Discontinuance of the policy is the date on which the Company receives intimation from the Policyholder about discontinuance of the policy or surrender of the policy, or on the expiry of the grace period, whichever is earlier.

#### **I Premium discontinuance during the first five policy years:**

In case of discontinuance of policy due to non-payment of premiums during the first five policy years, upon the expiry of grace period, the Fund Value shall be credited to the DP Fund after deduction of applicable discontinuance charges and the risk cover shall cease. It will continue to remain in the DP fund till the policy is revived by paying due premiums.

We will communicate the status of the policy to you within three months of first unpaid premium providing you the option to revive the policy within the revival period. The revival period is three years from date of first unpaid premium.

- I If you opt to revive but do not revive the policy during the revival period, the monies will remain in the DP fund till the end of the revival period or the lock in period, whichever is later, after which the monies will be paid out and thereafter the policy shall terminate and all rights, benefits and interests will stand extinguished.
- ii. If you do not exercise the option to revive the policy, the monies will remain in the DP fund and will be paid out at the end of lock-in period and thereafter the policy shall terminate and all rights, benefits and interests will stand extinguished.

However, you have an option to surrender the policy anytime and monies in the DP fund will be paid out at the end of lock-in period or date of surrender whichever is later.

#### **ii Premium discontinuance after the first five policy years:**

In case of discontinuance of policy due to non-payment of premium after the first five policy years, upon expiry of the grace period, the policy will be converted into a reduced paid-up policy with paid-up sum assured.

Reduced paid-up Sum Assured = Original Sum Assured X (Total number of premiums paid till the date of discontinuance/ Original number of premiums payable)

All charges as per terms and conditions of the policy shall be deducted during the revival period. However, the mortality charges shall be deducted based on the reduced paid up sum assured only.

We will communicate the status of the policy to you within three months of first unpaid premium providing you the following options to exercise:

At the end of the revival period or maturity, whichever is earlier, the Fund Value shall be paid to you and the policy shall terminate and all rights, benefits and interests will stand extinguished.

You will have an option to surrender the policy anytime. On surrender, the Fund Value shall be paid to you and the policy shall terminate and all rights, benefits and interests will stand extinguished.

In case of surrender during the first 5 policy years or premium discontinuance during the first five policy years, you can revive the policy by paying overdue premiums within three years from the date of first unpaid premium. On revival, Discontinuance Charge previously deducted will be added to the DP Fund Value and Policy Administration Charge and Premium Allocation Charge, which were not collected while monies were in the DP Fund, shall be levied. Monies will be invested in the funds in the same proportion as on the Date of Discontinuance, at the NAV as on the date of such revival.
