LIFE INSURANCE

In your golden years worries about security and comfort become greater. Today, with rising prices increasing health care costs and higher life expectancy, you need concrete planning post-retirement to help you deal with it. What you need is a plan that not only helps you plan for retirement, but also continues to pay you an income throughout your retired life.

At ICICI Prudential Life Insurance Company Limited, we realise the importance of a prudent retirement planning. That is why we have developed a suite of annuity options that not only give you an income for life but also provide you options to match your needs.

ICICI Prudential Life Insurance presents a suite of 5 Immediate Annuity options that are designed keeping in mind your various needs. They also endeavor to provide you with the best returns for your golden years.

How does ICICI Prudential's Immediate Annuity Product Work?

At the time of your retirement you can buy these annuity products with the lump-sum payment from your retirement savings.

This would start paying you regular income in the form of an annuity for life at a frequency chosen by you, which can be monthly, quarterly, half-yearly or annually.

***The annuity amount chosen at policy inception is guaranteed for life and in certain circumstances for some period thereafter.**

What are the various annuity options?

Immediate Annuities shall be offered to both individual and group customers, this will include:

1. Individual Tied Immediate Annuity will be used to pay annuities under the individual deferred pension plans offered by ICICI Prudential.
2. Individual Standalone Immediate Annuity will be used when individuals wish to purchase an annuity otherwise.
3. Superannuation Tied Immediate Annuity which will be used for
 - a) Paying annuities under superannuation funds managed by ICICI Prudential.

- b) Paying annuities under, superannuation funds not managed by ICICI Prudential, and under other groups, if the premium for annuity purchase is more than Rs. 2 crores in a financial year.
4. Superannuation Standalone Immediate Annuity will be used to pay annuities under, superannuation funds not managed by ICICI Prudential, and under other groups, if the premium for annuity purchase is less than Rs. 2 crores in a financial year.

There is a choice of five annuity options that ICICI Prudential provides:

Life Annuity: This option pays you annuity for life.

Life Annuity with Return of Premium: This option pays you annuity for life and on death the initial purchase price (premium paid in the beginning) is returned back to the nominee/legal heir.

Joint Life Last Survivor: This option pays annuity throughout the life of the annuitant and on death continues the annuity during the lifetime of the named spouse. Where the named spouse has pre-deceased the annuitant or where the named spouse is no longer a legal spouse at the time of death of the annuitant, no benefits shall be payable on and from the death of the annuitant.

Joint Life Last Survivor with Return of Purchase Price: This option pays annuity throughout the life of the annuitant and on death continues the annuity during the lifetime of the named spouse. On the demise of the named spouse the premium is paid back to the nominee/legal heir. Where named spouse has pre-deceased the annuitant or where the named spouse is no longer a legal spouse at the time of death of the annuitant, no benefits shall be payable on and from the death of the annuitant, except that the purchase price shall be repaid to the valid nominee/legal heir.

Joint life annuity rates shall depend on the age gap between the annuitants and different rates will apply based on the following:

- Age difference between male annuitant and female annuitant is less than or equal to
- Age difference between male annuitant and female annuitant is

greater than 0 and less than or equal to 5

- Age difference between male annuitant and female annuitant is greater than 5 and less than or equal to 10
- Age difference between male annuitant and female annuitant is greater than 10

Annuity guaranteed for 5, 10, 15 years and payable for life thereafter: This option pays an annuity for a guaranteed period of 5, 10 or 15 years (as chosen by the annuitant), irrespective of whether the annuitant is alive or not. If the annuitant survives the guarantee period, the annuity payments will continue while the annuitant is alive.

Joint life annuity option can be elected only where the annuitant has a spouse at the time of completing application for annuity.

Options Available

Option to increase the annuity amount: An annuitant who has availed an immediate annuity with ICICI Prudential, can subsequently make an additional annuity purchase to increase the annuity payout. An annuitant can select any of the annuity options as mentioned above. The annuity purchase price for such additional annuity, would be as per the then prevailing terms and conditions. The minimum annuity amounts specified below shall not be applicable for annuity increments.

What are the maximum and minimum ages at entry?

The minimum age at entry for the annuitants is as follows:
