How does the product work?

- **Save the Date-** At the time of buying the policy, the customer can choose to receive the Guaranteed Income on any special date like spouse's birthdate or on your anniversary date. The income can be received on any one date succeeding the due date of first income to coincide with any special date. This option is available under Income and Early Income plan options.
- **Guaranteed Income** can be taken either annually or monthly
- At anytime during the income period or on maturity, the future guaranteed income can be taken as a one-time lump sum. The policy will terminate on payment of the lump sum benefit.
- The frequency of Guaranteed Early Income under Early Income plan option will be the same as frequency of premium payment.

For complete details of the policy, please refer to the policy document and Sales literature.

How does the product work?

- **Surrender** - It is recommended that you continue with your policy to avail all benefits. However, at any stage after payment of two full years' premium, if you are not able to continue your policy, a surrender value will be payable. For Single Pay policies, surrender value will be acquired immediately on payment of single premium.

On policy surrender, you will get higher of the following:

- Guaranteed Surrender Value (GSV)
- Special Surrender Value (SSV)

For more details on the surrender benefit, please refer to the policy document.

- **Premium Discontinuance** - If you have discontinued paying premiums, you can revive the policy within five years from the due date of the first unpaid premium and before the termination date of the policy, subject to policy terms and conditions.

For complete details of the policy, please refer to the policy document and Sales literature.
