This is applicable subject to all due Premiums having been paid and the Policy being in force as on the date of diagnosis of Terminal Illness or the date of death of the Life Assured. Death Benefit payable to the Claimant will be highest of: • 7 times Annualized Premium; • 105% of the Total Premiums Paid up to the date of death/date of diagnosis of Terminal Illness; and • Sum Assured as stated in Your Policy Schedule. a) A Life Assured shall be regarded as "Terminally Ill" only if the Life Assured is diagnosed as suffering from a condition which, in the opinion of two independent Medical Practitioners, specializing in treatment of such illness, is highly likely to lead to death within 6 months. The terminal illness must be diagnosed and confirmed by Medical Practitioners and approved by Us. We reserve the right for independent assessment of the Terminal Illness. b) Upon payment of Death Benefit by the Company to the Claimant, the policy shall terminate with all rights and benefits thereunder. c) In the event of death of the Life Assured or where the Life Assured is diagnosed with Terminal Illness on the Date of Maturity Death Benefit shall not become payable. d) The Death Benefit amount may be taxable as per the prevailing tax laws.

1.1 Death Benefit as Income Option

a) You/Claimant can receive the Death Benefit in form of structured regular income over a period of 5 years if chosen at inception by You or if chosen by Claimant at the claim stage. In case only part of the Death Benefit is chosen to be taken as income, the balance amount will be paid in lump sum to the Claimant at the time of acceptance of the claim. b) The default payout option shall be lumpsum in case no

income payout option is chosen by You or the Claimant. c) The amount of income shall be calculated such that the present value of instalments, computed as on date of intimation of death or Terminal Illness using a given discount rate, shall equal the amount of Death Benefit chosen to be taken as income under the policy. Such instalment amount shall be a level amount and once chosen shall remain fixed over the income payout period. d) The discount rate used to compute the instalment amount shall be equal to the annualized yield on 10-year G-Sec (rounded down to nearest 25bps) less 100 basis points.
