Terms and Conditions

Linked insurance products are different from the traditional insurance products and are subject to the risk factors.

The premium paid in linked insurance policies are subject to investment risks associated with capital markets and publicly available index. The NAVs of the units may go up or down based on the performance of fund and factors influencing the capital market/publicly available index and the insured is responsible for his/her decisions. ICICI Prudential Life Insurance Company Limited is only the name of the Life Insurance Company and <ICICI Prudential Signature Capital Guarantee > is only the name of the linked insurance contract and does not in any way indicate the quality of the contract, its future prospects or returns.

Please know the associated risks and the applicable charges, from your insurance agent or intermediary or policy document issued by the insurance company.

The various funds offered under this contract are the names of the funds and do not in any way indicate the quality of these plans, their future prospects and returns.

1. Guaranteed benefits will be payable, provided all due premiums have been paid. Guaranteed benefits are payable through ICICI Pru Guaranteed Income For Tomorrow.
2. Wealth creation is through maturity benefit of ICICI Pru Signature.
3. Life cover is the benefit payable on death of the life assured during the policy term.
4. Taxes if any, will be charged extra as per prevailing rates. Tax laws are subject to amendments made thereto from time to time. Please consult your tax advisor for more details.
5. This is the minimum death benefit paid under ICICI Pru Guaranteed Income For Tomorrow
6. The amount shown here is the sum assured for ICICI Pru Signature. If the fund value of ICICI Pru Signature is higher than its Sum Assured, then Fund Value will be paid instead of Sum Assured.

* ARR stands for assumed rate of return. For the purpose of illustration, the Company has assumed 8% and 4% as rates of investment returns. The returns shown in the illustration are not guaranteed and they are not the upper or lower limits that you may get, as the value of the policy depends on a number of factors including future investment performance.
